

SUMMER 2019

Illinois Fire Juniors- Little Sparks Soccer

Ages 3-5

Illinois Fire Juniors is an official juniors' club of Major League Soccer's professional club Chicago Fire. We are excited to bring the Little Sparks program to Bloomington/Normal this summer. Little Sparks is an introduction to soccer, where children and parents can take their first steps in soccer together! Specifically designed for children aged 3 to 5 years old and using the fun of play and imaginative stories, Little Sparks facilitates a child's physical, mental, social and emotional development through the game of soccer!

Little Sparks uses three key principles (experiential play, creative learning, and holistic activity) to build an environment for children to learn and explore different outcomes associated with soccer and self-development. Players will have an opportunity to play an age appropriate scrimmage at each session.

Please bring a size 3 soccer ball to each practice.

Age 3 Only

Little Sparks is unique in that it incorporates Mom and Dad into the child's learning environment. With the support of Mom and Dad, children are able to truly be comfortable and express themselves in order to maximize each session. This experience will not only strengthen the parent-child bond, but also elevate each child's enjoyment and development.
