

FALL 2019

LET'S DANCE

Ages 2-4 (Adult/Child)

This is a wonderful class for the child and parent/caregiver to take together. The little ones will learn to love dance through a series of fun and expressive dance stories, music and movement activities. In addition to being a lot of fun, parent-child dance classes are great preparation for very young children to eventually participate in a creative dance class on their own, learning to take direction from a new, adult teacher while staying true to their own ideas.
