Snow Ban Information

A reminder to residents: When a snow ban is issued, NO PARKING is allowed on Normal streets until after the streets are plowed.

In the event of a street parking ban and no driveway space is available, residents are encouraged to park vehicles at any of our local parks. Vehicles parked in the street are at risk of being ticketed or towed during a Snow Ban.

Snow Bans are announced via all local radio stations as well as The Pantagraph and all of the Town of Normal’s social media. Announcement will also be made once the Snow Ban has been lifted.

If you have questions about the snow ban or to check if a ban has been issued, contact Normal Police at 309.454.9535.

What Neighborhood Watch is:

Neighborhood Watch is a crime prevention program that enlists the active participation of residents, in cooperation with law enforcement, to reduce crime, solve problems, and improve the quality of life in your area.

What Neighborhood Watch is not:

It is not a program designed for participants to undertake personal risks to deter crime.

Hello,

Just a little note from Officer Greg.

I am attempting to construct new content for the quarterly newsletter and I am still taking requests for information you would like to see in the newsletter. No suggestion will, automatically, be turned down. Email me with your requests at gleipold@normal.org. You can even call me on the phone and tell me your requests. My desk line is (309)433-3440.

I know the great majority of this audience likes to see the burglary report on page 2. Admittedly, the burglary report has become much shorter in the recent years, which, is a great thing.

So, as of the next quarterly report, I am going to attempt to include some of the suggestions our great audience has suggested. I will always keep the burglary report.

THANK YOU FOR YOUR INPUT!!!!

Ofc. Greg Leipold
