Effective immediately, the Normal Police Department lobby will no longer be open to the public and staffed during the hours of 11 pm to 7 am daily. Those needing assistance who come to the department during these hours will use the phone located in the foyer that connects directly to the dispatch center. An officer will then be dispatched to the department if appropriate. Calls to the Police Department's general information number, (309) 454-9535, will still be answered during these times. This operational change does not impact the number of officers working during this time and providing police services to the community.
